

Start Day Dates

19.-20.05.2026 Spring Start Day

13.-14.10.2026 Autumn Start Day

Time, venue, format and also detailed programme of the Start Day will be published on the Prague Stock Exchange website well in advance.

During the Start Day, representatives of Start Market's issuers present their firm's actual economic situation and development of its business activities. In addition, a presentation by issuers preparing to enter the Start Market could also take place.
